

A visual story for schools

You can take a virtual tour of the site here: <https://northlincolnshiremuseum.co.uk/discover/virtual-tour/>

Arriving at the Museum

The main entrance is on Oswald Road. The Museum opens at 10am. If your school arrives before that time, you might have to wait outside for a while.

When you walk in you will see the Shop and Reception area. A member of the team will say hello when you arrive.

You will see a skeleton of the Winterton Lady near the entrance.

This is where our toilets are too. We have male, female and accessible toilets. We have paper towels if you don't like using the hand dryer.

You may need to use our lift. One of the Museum team will help you to use it.

People

Staff the Museum wear black shirts that say North Lincolnshire Museum. They are here to help you enjoy your visit.

The Learning Team will deliver your workshop. They might be wearing special clothes for your workshop so you can imagine what life was like a long time ago.

Your Classroom

Your workshop will take place upstairs. Please hold the banister as you go up.

You will walk through our Temporary Exhibition space to the Community Gallery, where you will do most of your workshop. The room might be set up differently for your learning.

You will leave you coats and bags at the back of the room. You can leave them here for your entire visit.

If you are having lunch at the museum, this is where you will eat it. You can use the sink to wash your hands before you eat.

Calm Spaces

If you need a break, you might like to spend time in these spaces with an adult. They are all public spaces, so others may be using them at the same time.

Dudley's Den is an area for the Under 5's, so you may meet some little people here. You are welcome to use our sensory equipment, no matter your age. It's on the Ground Floor.

If you need fresh air, we have tables and chairs in the Courtyard. The door is near the entrance.

There is a dark space in the Anderson Shelter in the People's War Gallery. However, there are lots of noises, like sirens, in here too. It's on the Ground Floor.

Things you might see around the Museum

Museum

Sirens near
the Anderson
Shelter

Leaving the Museum

When you finish, you will need to collect your coat and bags from the Community Gallery.

You will leave through the same door you arrived through.

We hope you had a brilliant time and will visit us again!
