EXHIBITIONS

DOM HEFFER DELAY-A-GRAM

In a world of instantaneous, 24 hour news, instantaneous communications, fast food, and even faster images, Hull based artist Dom Heffer has produced a new series of paintings that highlight the gallery as a refuge for 'slow looking'. Each artwork focuses upon our culture's relationship to vision; via advertising, entertainment, food, gaming and the ways in which we look at nature.

Until 1 November 10am - 4pm

Free. No booking required.

CLARE HEWITT EVERYTHING IN THE FOREST IS THE FOREST

Acclaimed photographer Clare Hewitt presents new work that celebrates trees and their remarkable ability to nurture and communicate. Setting up a studio within a circle of twelve oak trees, Hewitt documented the forest and its seasonal changes, exploring nature and the forest through a range of sustainable photography techniques.

Free. No booking required.
