EXHIBITIONS

THIS IS ALL THE TRESURE WE CAN HAVE OR HOLD BY RUTH CALLAND

20-21 are delighted to present a new solo show by acclaimed London-based painter Ruth Calland. The exhibition explores important contemporary themes around self-transformation, and the elusive but joyful reward of authentic self-expression. Born in Scunthorpe, Calland sees this exhibition as a homecoming: a turning towards their roots within the backdrop of the alchemical steel town landscape.

Tuesday to Saturdays 10am - 4pm
Free. No booking required.

LUXMURALIS - SCIENCE

20-21 are excited to announce Luxmuralis, spectacular architectural mapping projections inside our grade II* listed building. Luxmuralis is a artistic collaboration between Peter Walker and David Harper. Science explores chemistry and biology depicting molecules, cells and DNA. This is a jaw dropping exhibition to amaze the whole family.

From 23 August, Tuesday to Saturday
10am - 4pm
Free. No booking required.
